

African American Pay Day Loan Responders

Average Monthly Hotline	148,309	\$110/M
Total File	1,611,430	\$110/M

These African American consumers reached out to secure a loan quickly and easily in order to:

- Avoid bounced check fees.
- Pay monthly bills before they become penalized.

These African American cash advance/payday loan seekers need cash quickly to pay monthly bills such as car payments, utility bills, credit card payments, etc., before they receive penalties for late payment.

In order to qualify, a consumer needs to have a checking account, be currently employed, have a working telephone number, be at least 18 years old, and a U.S. resident. A poor credit rating will not necessarily inhibit consumers from qualifying for a loan.

These proven direct response applicants are great prospects for secured and unsecured credit offers, pay day loan offers, instant financing programs, debt consolidation, seminars, money making opportunities, sweepstakes, at home educational programs, distance learning, and career oriented offers.
