

Cell Phone Turndowns

Average Monthly Hotline	95,500	\$110/M
Total File	2,478,950	\$110/M

These people applied for cell phone service or credit offer, however they were declined as they did not meet a required Beacon score. They were then offered a variety of options:

- Posting a deposit of \$500 or more
- Obtaining service via a prepaid contract
- Enrolling in a "Pay as You Go" program

Many of the individuals on this list opted for one of these services, while others declined. Given their "less than perfect" credit, these consumers would be very responsive to a wide range of personal finance offers – including any consumer offer with easy payment terms.
